## NFA - Leadership I for Fire and EMS: Strategies for Company Success

#### Course Description:

This 2-day course presents the company officer with the basic leadership skills and tools needed to perform effectively in the emergency service environment. The course includes techniques and approaches to problem-solving, ways to identify and assess the needs of the company officer's subordinates, methods for running meetings effectively in the emergency service environment, and decision making skills for the company officer.

#### Student Responsibilities:

Course materials will be provided to registered students at the beginning of class. 100% attendance and participation is required. The student or his/her sponsoring agency is responsible for all costs for transportation, food and lodging.

Please complete the registration form and email it by using the email button on the form or fax a copy to (907) 451-8998.

**Registration Deadline: December 28, 2011**
