

# TRAINING OPPORTUNITY

## Division of Fire and Life Safety

### Target Audience:

This course is targeted individuals who have department-level health and safety responsibilities.

### Course Date, Time and Location:

March 12 - 17, 2012  
9:00 am - 5:00 pm

Anchorage Fire Training Center

1140 Airport Heights Drive  
Anchorage, AK 99508

## NFA—Safety Program Operations (SPO)

### Course Description:

This 6-day course provides knowledge and practice, in the context of current issues, to develop strategies of program management associated with the provision of firefighting and EMS services to reduce emergency response fatalities and injuries. The course will focus on using the risk management model in the health and safety aspects of emergency services operations, current regulations, standards, policies and responsibilities for program management, day-to-day operations and incident safety.

No Cost

Registration Deadline: February 10, 2012

### Student Responsibilities:

Course materials will be provided to registered students at the beginning of class. 100% attendance and participation is required. The student or his/her sponsoring agency is responsible for all costs for transportation, food and lodging.

Please complete the registration form and email it by using the email button on the form or fax a copy to (907) 451-8998.
